Dear Book Readers,

We hope you are safe, healthy, and enjoying some quality time with your family!

As you know, A Whale of a Tale is closed to the public till further notice...and of course, all of our March and April events have been cancelled.

However, in order to satisfy your need for books and to support your local independent bookstore....

Beginning April 1st we will be offering BOOK CARRY-OUT curbside book service...pick-up ONLY!

Interested? We do not have an active on-line shopping cart, but you can still order via e-mail. So, complete this form if you would like to purchase (add a couple of alternative options) or e-mail a list to bookwhale@aol.com

(Please include your phone number)
We will gather the books, package them and have them ready for curbside pickup. If we don't have a specific book, we will make every effort to order (might take a day or two longer) and/or offer an alternative. As soon as your order is ready, we'll give you a call to arrange for payment and pick up.

Not sure about selection??? Give us your child's age, gender and interests and we can pull together a SURPRISE Bag of books!!

Whale of a Tale is an independent bookstore, in business since 1989, serving children of all ages in greater Orange County, especially Irvine. It is an honor to serve this community, and we are grateful for your support.

We are committed to physical distancing and to keeping everyone healthy. Still, it goes without saying that bookstores and books are essential in their own special way, especially now with schools and libraries closed, and our children at home. Books keep your spirits up and minds active!

Stay safe, stay healthy, take care of each other.... and make time to READ together!
Please note that due to the current health situation, books purchased at this time are not returnable.
